

# AIRBNB FINAL PROJECT

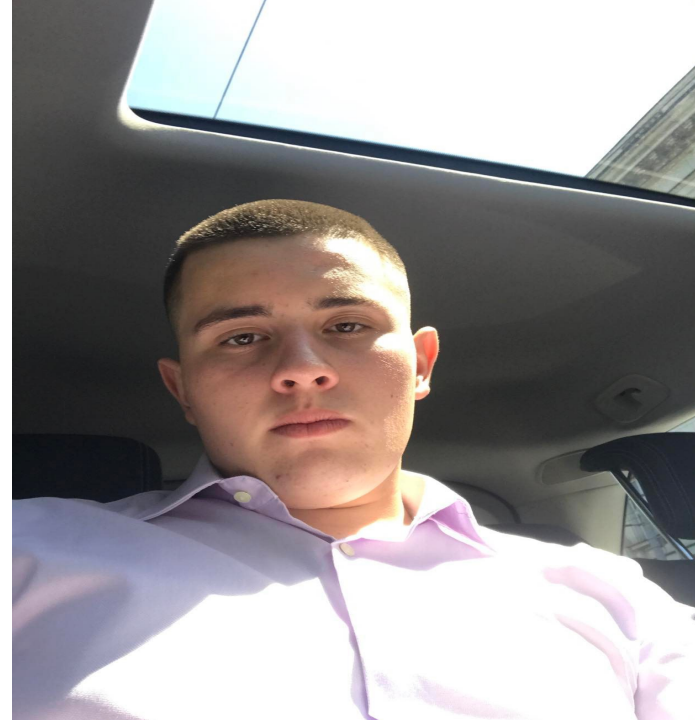

BY LYUBOMIR ANGELOV AND TEODOR TONCHEV

---

# WHO ARE WE?

Teodor Tonchev - 21  
Student at Technical  
University of Sofia

Lyubomir Angelov - 21  
Student at University of  
World and National  
Economy

## OUR PROJECT IN NUMBERS

- 4000 lines of code
- 1 week
- 88 classes
- 10% balder than before

## WHAT IS AIRBNB?

- Airbnb is an online marketplace that connects people who want to rent out their homes with people who are looking for accommodations in specific locations.
